Board of Examiners of Assisted Living Administrators Annual Licensee Survey

Purpose of Study:

This survey was developed by the Board of Examiners of Assisted Living Administrators to investigate the improvement of the standards imposed for licensing of assisted living administrators and of procedures and methods for the enforcement of these standards. The information obtained from this study will only be used for review of current standards and identification of improvement opportunities.

Directions:

Please complete the survey and return it with your licensure renewal or fax it to (334) 819-8715. This survey is completely anonymous and will not be used against any licensee. Participation in the survey is completely voluntary. The Board of Examiners of Assisted Living Administrators appreciates your participation and input into this matter.
